\*Voice Box or Softphone, broadband Internet connection and Ethernet modem/router may be required. Broadband access and other service provider fees excluded. Quality of service may vary with choice of broadband and speed. Calls may attract separate ISP charges. 10 cents applies to local and national calls in Australia. Call charges include GST and are rounded up to the nearest cent. Timed calls are billed for the first minute, then on a per second basis. Free calls and included \$'s exclude calls to some special services and are forfeited at the end of your billing cycle. Features when in use may attract charges. For all other call charges, monthly billing details and our Standard Form of Agreement go to [www.engin.com.au](http://www.engin.com.au). engin(tm) Voice Box is soft coded to function only with engin networks. Credit card or charge card billing only. Subject to credit approval. engin 1 way does not support calls to emergency service numbers. ^Higher rates may apply for calls to mobile phones. Prices subject to change without notice. Prices effective 2nd January 2006. © engin(tm) 2006
